

Valid from the 1st July 2014 and supersedes all other provisions, warranties, terms and conditions.

This Agreement is made on the date specified on the Rental Agreement between Travellers Autobarn and the Hirer. You are obliged to read this document thoroughly and ask for clarification of any points you do not understand.

1 Definitions

"Agreement" means the Rental Agreement and these Terms and Conditions. "Hirer" means the person or persons nominated as the hirer, additional drivers and any person whose credit card is presented for payment or is otherwise responsible for any payment associated with the rental or the security bond. "Travellers Autobarn" means Periloo Pty T/as Travellers Autobarn. "Vehicle" means the initial Vehicle and any replacement Vehicle hired by the Hirer and includes all equipment, accessories, tyres, tools or any additional hire items.

2 Vehicle Condition, Pick-up and Drop-off

- 2.1** The Vehicle is delivered to you in good operating condition. You agree to return the Vehicle in the same condition (except for ordinary wear and tear, not including windscreen or tyre damage) together with all tools, tyres, accessories and equipment to the location specified on the Rental Agreement and on the date there specified (or sooner, if demanded by Travellers Autobarn).
- 2.2** Travellers Autobarn may take possession of the Vehicle without prior demand and at your expense if it is illegally parked, used in violation of the law, any term of this Agreement is breached or if it is apparently abandoned.
- 2.3** Vehicle pick ups are available anytime between 9:00 am and 4:00 pm Monday to Friday, and between 9:00 am to 12:00 pm on Saturdays. Vehicle drop offs must be before 3:00 pm Monday to Friday and before 12:30 pm Saturday. No pick ups or drop offs are provided on Sundays and public holidays.
- 2.4** Please note that Melbourne and Darwin branches are subject to shortened low season opening hours. These hours are 1000 to 1600 weekdays and closed Saturday and Sunday. Low season in Melbourne is from 1st June to 31st August and in Darwin is from 15th December to 15th March.
- 2.5** There is no refund for late pick up or early return of a Vehicle. Hirers are charged for the length of time booked, not the actual time used. We strongly recommend that all Hirers take out their own premium travel insurance, in the event a Hirer, for reasons of their own, needs to return a Vehicle earlier than expected.
- 2.6** A 59 minute grace period after the return time stated on the Rental Agreement applies to all rentals, should the Vehicle not be returned within the grace period a \$250 fee applies. Vehicles overdue may also incur an additional \$250 fee per day and be reported to the police as stolen.

3 Change of Drop off Location

- 3.1** Any change of return location can only be authorised by Travellers Autobarn Central Reservations and depends solely on future bookings and availability. The change of drop off location is not confirmed as approved until after the change of location fee has been accepted and paid. Please note; a casual conversation with a Travellers Autobarn staff member does not constitute authorization. An approved change of location may attract a fee to a maximum of \$500. - 3.2** An unauthorised change of location drop off will see the Hirer responsible for the entire cost of relocating the Vehicle to its intended location plus a \$500 fee.

4 Rental Duration, Kilometers and One Way Fees

- 4.1** For all Vehicles, day one of the rental period is the day of pick up, regardless of the time, and the day the Vehicle is returned is counted as the final day also regardless of the time.
- 4.2** The minimum rental period is 5 days for all Vehicles (same city return). One way rentals have different minimum rental periods between 10 and 35 days.
- 4.3** A one way fee may apply; this fee may vary according to location, seasonality and length of booking. East Coast rentals longer than 28 days will not incur any one way fee.
- 4.4** All Vehicles have unlimited kilometers included in the price.
- 4.5** Rates are in Australian Dollars.

5 Multiple Rentals

Consecutive rentals can be combined to qualify for a long term discount rate provided travel is within a three month period. If drop off of a Vehicle and pick up of a new Vehicle occurs on the same day then each will be charged separately per respective rental. Multiple rentals are treated as separate rentals under the one way fee and minimum rental period conditions.

6 Rental Extensions and Amendments

- 6.1** If, you, the Hirer wish to extend the rental whilst on hire, you must first obtain authorisation from Travellers Autobarn's Central Reservations. Please note, a casual conversation on the topic with a Travellers Autobarn staff branch member does not constitute authorisation. Your requested extension is not authorised until expressly approved, and you have nominated a specific date and the extension is paid in full. Calling a day or two before you are due to drop off and requesting an extension may be rejected due to future bookings on your Vehicle. Please communicate all extension requests by calling Central Reservations on the FREECALL (from landlines only) 1800 674 374 or +61 2 8323 1555 (from mobiles and overseas) Customer Assistance Line at the earliest possible opportunity as all requests are subject to availability.

No refunds will be given for any booking amendments to the rental dates within 28 days of collection (if the length of hire is shortened) and the rental will be charged at the number of days originally booked. A relocation fee may apply if the collection or return location is amended within 28 days of Vehicle pick up.

- 7.1** We reserve the right to substitute a comparable or superior Vehicle at no extra cost where unforeseen circumstances dictate. This shall not constitute a breach of contract and does not entitle the Hirer to any refund.

22 Road Restrictions and Island Trips

22.1 Vehicles may only be driven on sealed roads/bitumen roads or well maintained access roads less than 500 metres long to recognised camp-grounds and parking areas. Travel on unsealed roads voids all liability limitations and coverages. The Hirer is liable for the total cost of any damage to all parties involved whilst travelling, or having travelled, on unsealed roads.

22.2 Travellers Autobarn reserves the right at its sole discretion to restrict Vehicle movements in certain areas due to adverse road or weather conditions.

22.3 All Travellers Autobarn Vehicles are restricted to mainland Australia. Trips to islands, including Tasmania and Kangaroo Island are allowed only with prior permission from Travellers Autobarn. All recovery costs from any island are the Hirer's responsibility, regardless of cause. (Unauthorised travel will void all liability limitations and coverages. Hirers will also be responsible for all costs associated with the rental, including servicing, breakdown and recovery as well as loss of bond).

22.4 If Travellers Autobarn has reason to believe that your Vehicle may have been driven on unsealed roads the Vehicle bond will be retained until a complete inspection of the Vehicle determines if any damage has occurred. The Hirer will be liable for any damage found. If it is determined that the Vehicle has been off-road but no damage is evident you will still be charged \$250 for breach of duty.

23 Customer Care and On-Road Assistance

23.1 AUTO CLUB 24 Hour Road Side Assistance service is provided, if the Vehicle requires Roadside Assistance (NRMA/RACQ/RACV etc) please call 1300 369 349, select Option 1 and quote the Travellers Autobarn Membership Number shown on your key ring. Only after Roadside Assistance has assessed the Vehicle should you call Travellers Autobarn. Please note that call outs from Roadside Assistance due to the Hirer's error or non-mechanical issues such as running out of petrol, flat battery resulting from leaving lights/engine on, keys locked in Vehicle will result in a charge of \$80 to the hirer.

23.2 TRAVELLERS AUTOBARN ON-ROAD ASSISTANCE. Travellers Autobarn provides a FREECALL CUSTOMER ASSISTANCE TELEPHONE LINE (from landlines only) 1800 674 374 or (from mobiles) +61 2 8323 1555- Charges apply. If you have any questions at all during your rental.

23.3 TRAVELLERS AUTOBARN CUSTOMER ASSISTANCE TELEPHONE LINE service operates 09:00 to 18:00 Monday to Saturday and 10:30 to 15:00 on Sundays and Public Holidays (Eastern Standard Time and Eastern Daylight Savings Time). Callers from Western Australia need to adjust for a 2-3 hour time difference.

23.4 WEEKEND & PUBLIC HOLIDAY LIMITED SERVICE - The Travellers Autobarn CUSTOMER ASSISTANCE TELEPHONE LINE is offered as a courtesy to Hirers who may find themselves in desperate need of our support. On weekends, most support services such as mechanical garages, etc are closed and therefore limited help is available, in any case. Note the CUSTOMER ASSISTANCE Line is a FREECALL from landlines only 1800 674 374. For Mobiles, charges will apply +61 2 8323 1555.

23.5 Please restrict weekend calls to the CUSTOMER ASSISTANCE LINE to EMERGENCY CALLS ONLY. Note the CUSTOMER ASSISTANCE Line is a FREECALL from landlines only 1800 674 374. For Mobiles, charges will apply +61 2 8323 1555.

23.6 If your call relates to servicing, administration, extensions, accounts enquiries, etc or minor mechanical issues please call Monday to Friday 09:00 to 17:00.

23.7 Travellers Autobarn does not offer a 24/7 customer assistance line.

24 Repairs

24.1 Travellers Autobarn Vehicles are maintained and serviced to a high standard, however this does not prevent the occasional mechanical malfunction. Minor repairs of a mechanical nature costing less than \$100 may be effected without our authorisation and will be reimbursed upon completion of the rental if tax invoices are produced.

24.2 If you experience any problems, even minor, you must ring our FREECALL (from landlines only) 1800 674 374 or +61 2 8323 1555 (from mobiles and overseas) Customer Assistance Line for further assistance and advice. For amounts over \$100, Travellers Autobarn must be informed and approve repairs. We will approve repairs provided the Hirer was not directly responsible for the damage. Tax invoices must be submitted or the claim will not be paid.

24.3 In all cases the responsibility of Travellers Autobarn is limited to refunding the time that the Vehicle was actually in repair. This can be in the form of a rental extension or refund (the cost of the protection package is not included). No alternate accommodation, travel costs, or food items will be paid during downtime. Replacement Vehicles will not be supplied.

24.4 Any problems associated with the Vehicle, including equipment failure, must be reported to Travellers Autobarn as soon as possible and within 24hrs in order to give Travellers Autobarn the opportunity to rectify the problem. Failure to do so will compromise any claims as we can not accept liability for any claims submitted after this period.

24.5 Malfunctions of stereo systems, cabin lights, air-conditioning, fridges, microwaves, sink water pumps etc., are not considered mechanical breakdowns and downtime will not be paid.

24.6 Towing and retrieval of accident damaged Vehicles is not covered.

25 Fuel and Fluids

25.1 For your convenience the fuel tank is full on pick up and should be returned full by the Hirer. The charge for re-filling is \$2 per litre plus \$50 this covers the additional labour time taken to refill the Vehicle. Fuel receipts must be produced on return of the Vehicle to show that you have refilled the Vehicle within 10KMs of return location.

25.2 IMPORTANT - OIL & WATER LEVELS

The Hirer is responsible to check, at least daily and maintain all fluid levels and must immediately rectify and report to Travellers Autobarn by calling the FREECALL (from landlines only) 1800 674 374 or +61 2 8323 1555 (from mobiles and overseas) Customer Assistance Line any defect of which you become aware of, however slight. Topping up a Vehicle that is losing water somehow is not rectifying the problem. Rectification means a fit and proper diagnosis and repair. Travellers Autobarn cannot stress enough your responsibility in this regard. Continued operation of the Vehicle after a defect has occurred may lead to serious consequential damage to the engine for which you will be held responsible.

*****If you are adding more than ½ litre of water to your car every day YOU HAVE A PROBLEM AND NEED TO CALL US IMMEDIATELY (Immediately = NOW, not 2 days time) *****

25.3 IMPORTANT - AVOIDANCE of OVERHEATING

We cannot stress enough the risks of continued driving if your car begins to overheat, or if it has a known cooling system problem of any kind. If your temperature gauge moves in a direction that is a departure from normal, stop immediately, investigate and call Travellers Autobarn on the FREECALL (from landlines only) 1800 674 374 or +61 2 8323 1555 (from mobiles and overseas) Customer Assistance Line. Do NOT wait for it to cool and drive again as you may cause further catastrophic damage to your engine, for which you WILL be held liable. Driving with an inoperative temperature gauge voids all liability limitations and coverages and may result in the Hirer being held liable if overheating occurs.

25.4 IMPORTANT - WATER CROSSING & CHARGES

Do not drive across flooded roadways.

Regardless of damage liability cover selected, the hirer remains fully responsible for any damage caused as a result of driving or immersing the vehicle in water.

26 PROTECTION PACKAGE

26.1 If you act within this Agreement Travellers Autobarn will grant damage cover (including legal costs incurred with our consent) for your benefit in respect of damages to the Vehicle or Third Party damage other than any property owned by you (or any friend, relative, associate or passenger) or in your physical or legal control. This cover is subject to:

26.1.1 Your payment of the damage/loss liability charge stated on the Rental Agreement.

26.1.2 Your not having acted or having caused any other person to have acted in any manner which is in, contravention of this Agreement including the special conditions of the Rental Agreement.

26.1.3 Your not being covered under any other policy of insurance.

26.1.4 Your providing such information and assistance as may be requested and, if necessary, authorising Travellers Autobarn's insurer to bring, defend or settle legal proceedings but Travellers Autobarn shall have sole conduct of the proceedings.

26.2 Personal Injury The Vehicle has compulsory third party personal insurance cover. It is likely that any other vehicle involved in an accident also has third party insurance cover. Depending on the circumstances of the accident, the Hirer may be entitled to claim for their personal injury against the third party insurance of the party responsible for the accident. The extent of such third party insurance varies in different states and territories and Travellers Autobarn strongly recommends that all passengers take out their own Personal Injury Travel Insurance.

26.3 Property Damage The Vehicle is covered for damage to it or damage to the property of a third party. However the Hirer is responsible up to the amount of the applicable liability for the cost of such damage to third party property, or to the rented Vehicle except where any term of this Agreement has been breached. The Hirer is also responsible for administration costs and the cost of demurrage for the period the Vehicle is unavailable due to repairs. The liability applies in respect of each claim (accident), not per rental. In addition to the liability an administration fee of \$190 will be charged per claim (accident). The liability is applicable regardless of who is at fault and must be paid at the time the accident is reported to Travellers Autobarn, not at the completion of the rental period. In the event of a no-fault accident, Travellers Autobarn will make every attempt to refund to the Hirer any costs recovered from the party at fault less a minimum \$190 administration fee.

26.4 A VALID VISA OR MASTERCARD CREDIT CARD IS REQUIRED FOR THE SECURITY BOND. If you do not have a valid Visa Card or Mastercard please contact us so that we can email you a credit card authorisation form which allows you to use the credit card of a family member/guarantor.

26.5 A security bond is required upon pick-up of the Vehicle. The amount of the security bond is determined by the applicable damage protection option you have chosen. Payment of the bond is only accepted by a signed credit card pre-authorisation (sufficient funds must be available), the amount of the bond will not be debited from your account at this time.

26.6 If there is damage to the Vehicle on its return, the bond will be used to cover the cost of such damage up to the amount of the relevant liability. However, if any term of this Agreement has been breached and the bond is insufficient to cover the damage then any extra cost will be charged.

26.7 Reminder: It is one bond per accident/damage and not per rental, therefore once you report the accident to Travellers Autobarn, another bond will need to be pre authorised, otherwise you cannot continue with the rental.

26.8 Accidents and any other damages must be reported to the FREECALL (from landlines only) 1800 674 374 or +61 2 8323 1555 (from mobiles and overseas) Customer Assistance Line within 24 hours of the occurrence or all liability limitations and coverages are void.

26.9 All liability limitations and coverages are void if any term of this Agreement is breached.

26.10 Security Bond / Liability Options

26.11 *Additional Coverages

29 General Provisions

29.1 You will within 24 hours report any incident involving loss or damage to the Vehicle or loss involving the Vehicle while hired under this Agreement to the Travellers Autobarn location where the Vehicle was hired and will deliver to Travellers Autobarn immediately, every summons - complaint or paper in relation to such loss. Compliance with this sub - paragraph does not excuse the Hirer from reporting all incidents to the police or other proper authorities.

29.2 You release and hold harmless Travellers Autobarn (and its agents and employees) from all claims for loss or damages to your personal property, or that of any other persons property left in the Vehicle, or which is received, handled or stored by Travellers Autobarn at any time before, during or after this rental period whether due to Travellers Autobarn's negligence or otherwise.

29.3 Except as provided by law no driver or passengers in the Vehicle shall be or deemed to be the agent, servant or employee in any manner for any purpose whatsoever.

29.4 Travellers Autobarn gives no express or implied warranty as to any matter whatsoever including without limitation the condition of the vehicle and equipment, its merchantability or fitness for any particular purpose.

29.5 No right of Travellers Autobarn under this Agreement may be waived except in writing by an officer of Travellers Autobarn.

29.6 Words used in this Agreement to denote any gender shall include all genders, singular words include the plural, and noted on the Rental Agreement.

30 Relocation Conditions

A 'relocation' is a necessary vehicle movement between branches to satisfy the needs of full fee paying reservations. As such, Travellers Autobarn will offer a 'relocation' Vehicle at a heavily discounted rate, but will do so over the strictest of short periods such as to cover the transport needs of the Vehicle movement. Should you wish to travel for longer periods or would like more freedom with your Vehicle, we highly recommend you inquire about Travellers Autobarn's very competitive rental rates.

30.1 The rental of relocation Vehicles are subject to the standard Terms & Conditions of Travellers Autobarn.

30.2 Relocations must be delivered in the set days we outline and may be offered from as little as \$1.00 per day.

30.3 A minimum \$200 cancellation fee applies for any confirmed relocation bookings which are cancelled or the Vehicle is not collected on the date agreed.

30.4 Any late deliveries will incur penalties of \$500 per day. There is a reason for the relocation, usually it is being moved to fulfill a full fare paying reservation and as such wayward relocations will be dealt with harshly.

30.5 Any request to extend relocations will be considered subject to availability, and if approved will be charged at the standard daily rate from day one. Minimum rental periods may also apply.

31 Limit of Liability and Indemnity

31.1 In the event of no alternative Vehicle being available to the Hirer our liability is limited to a refund of the hire charge or in the case of mechanical failure (unless caused by the Hirer) the remainder of the hire period.

31.2 In the event of an accident (unless caused by a Third Party), where the vehicle is no longer operational, no refund of the remainder of the hire period will be made and an alternative Vehicle will be supplied at our discretion.
